

The Seattle Aquarium Connections program

How do I get tickets as an individual or family?

The Seattle Aquarium does not distribute tickets directly to individuals. There are three different ways you could possibly obtain Seattle Aquarium Connections tickets if you qualify.

1. Do you have a library card? The Seattle Aquarium participates in the Museum Pass program, which allows you to essentially “check out” a family pass to the Aquarium.
Click [here](#) to go to the **Seattle Public Library Museum Pass program** page. Please check with your local librarian for more details.
2. If you live within the City of Seattle you can visit your local Department of Parks and Recreation community centers. All City of Seattle community centers have access to Aquarium tickets. If you are having a problem getting in touch with someone, please email connections@seattleaquarium.org.
3. If you are already a member of one of our partner organizations, you may be able to obtain tickets through them. You may only contact our [partners](#) if you are part of their programming.

When can we come to the Aquarium with our Connections tickets?

The Seattle Aquarium is open daily from 9:30am to 5pm.

Last entry at 5pm; exhibits close at 6pm.

Exception: *The Seattle Aquarium is closed two days each year—December 25 (Christmas Day) and one Friday in June for our annual Splash! fundraising gala. Check our website for details.*

When is the best time to visit?

If you would like a **quieter, more relaxed visit**, plan to come

- In the spring after 2pm
- In the summer after 4pm
- In the fall or winter seasons (not around holidays)
- Weekdays, which are generally slower than weekends

Spring and summer, weekends and around the holidays are our busiest times.

Thank you and we hope to see you soon!

Seattle Aquarium mission:

Inspiring Conservation of Our Marine Environment
