Welcome to the Seattle Aquarium!
Below you’ll find a few ways to make the most of your visit. Have a question? Our staff and volunteers are always ready to help; just look for the blue Seattle Aquarium shirts.

Daily talks, feedings and diver shows
To see the day’s schedule, visit Guest Services or look for the signs posted throughout our exhibit halls.

Food with a view at our café
Options to satisfy the entire family: espresso drinks, fresh-baked treats, delicious entrees from our grill, made-to-order salads, soups, pizza, panini sandwiches, local microbrews and more.

Don’t miss our gift shop
Choose from apparel, plush animals, toys, books, home décor, jewelry and more. A significant portion of your purchases support the Seattle Aquarium’s exhibits, programming and conservation efforts.

Become a Seattle Aquarium member!
Members enjoy a full year of Aquarium access as well as exclusive benefits such as discounts at our café and gift shop, access to members-only programs and special events, and more. Membership for a family of four pays for itself in less than two visits—and supports our marine conservation and education efforts. For details, stop by the Guest Services desk, visit our website at SeattleAquarium.org or call (206) 838-3900.

Getting greener all the time
Our mission, Inspiring Conservation of Our Marine Environment, starts with us. We strive to be as green as possible with daily operations that include recycling, composting, rain barrels, solar-assisted hot water heating, low-flow fixtures, and sustainable seafood for our animals—and the guests in our café. We also work to educate our visitors about how they can make green choices at home. Want to learn what you can do to help care for our marine environment? Visit SeattleAquarium.org.

The Seattle Aquarium: Inspiring Conservation of Our Marine Environment
As the state’s largest platform for marine conservation education, the Seattle Aquarium brings its mission to over 800,000 visitors and 40,000 school children each year—helping them learn to love Puget Sound and Earth’s one big ocean, while galvanizing them to take action to protect these precious local and global resources.

How do we achieve this mission? With wondrous animals, engaging exhibits, passionate and knowledgeable staff and volunteers, and education programs for people of all ages and backgrounds. Thank you for visiting the Seattle Aquarium today—we hope to see you again soon!
