

Hide & Salish Sea

When you're exploring the beach, see if you can find some of the animals and plants that call it home! Make sure to look closely because lots of animals like to hide in plain sight. Once you find an organism, take a moment to observe it then cross it off on your bingo card. Try to connect four organisms in a row.

Remember to watch your step and touch gently with only one finger!

Ochre Sea Star 	Turkish Towel 	Dog Whelk Snail 	Aggregating Sea Anemone 
Isopod 	Limpet 	Red Rock Crab 	Nudibranch 
Sea Lettuce 	Hermit Crab 	Pacific Blue Mussels 	Mottled Sea Star 
Barnacles 	Tidepool Sculpin 	Bull Kelp 	Shore Crab
